

**GRAVITY CAST PVT. LTD.**  
**GRAVITY GROUP OF COMPANIES**

## Material - ISO Ni 9950

### Standard Specification for Refined Nickel Alloy Castings

Group - Non-Ferrous Nickel Alloys

Sub Group - ISO Ni 9950 Refined Nickel Alloy Castings

Application - Intended for Valve, Pump, General Engineering, Automotive and other Industries

Grade Belongs to the Industry - Casting

| Chemical Composition |           |             | Heat Treatment                       |   |
|----------------------|-----------|-------------|--------------------------------------|---|
| Carbon               | C %       | 0.050 max.  | As-Cast or Annealing or Age Hardning |   |
| Cobalt               | Co %      | 1.000 max.  |                                      |   |
| Copper               | Cu %      | 0.100 max.  |                                      |   |
| Iron                 | Fe %      | 0.100 max.  |                                      |   |
| Sulphur              | S %       | 0.030 max.  |                                      |   |
| Lead                 | Pb %      | 0.005 max.  |                                      |   |
| Ni + Co              | Ni% + Co% | 99.500 min. |                                      |   |
| -                    | -         | -           |                                      |   |
| -                    | -         | -           | Mechanical Properties                |   |
| -                    | -         | -           | Tensile Strength in Mpa              | - |
| -                    | -         | -           | Yield Strength in Mpa                | - |
| -                    | -         | -           | Elongation in %                      | - |
| -                    | -         | -           | Reduction of Area in %               | - |
| -                    | -         | -           | Hardness in BHN                      | - |
| -                    | -         | -           | Impact in Joule                      | - |

| Cross Reference Table |          |         |                              |
|-----------------------|----------|---------|------------------------------|
